

- TASTE THE DIFFERENCE -

MODEL 812H

This is an extreme volume slush and cocktail freezer! Fast, easy, portion-controlled, labor saving frozen beverages from a machine that will last! Syrup racking with 5 bottles provides flavor options while running a neutral or core base flavor. Perfect for QSRs, beach resorts, arenas and large sports venues.

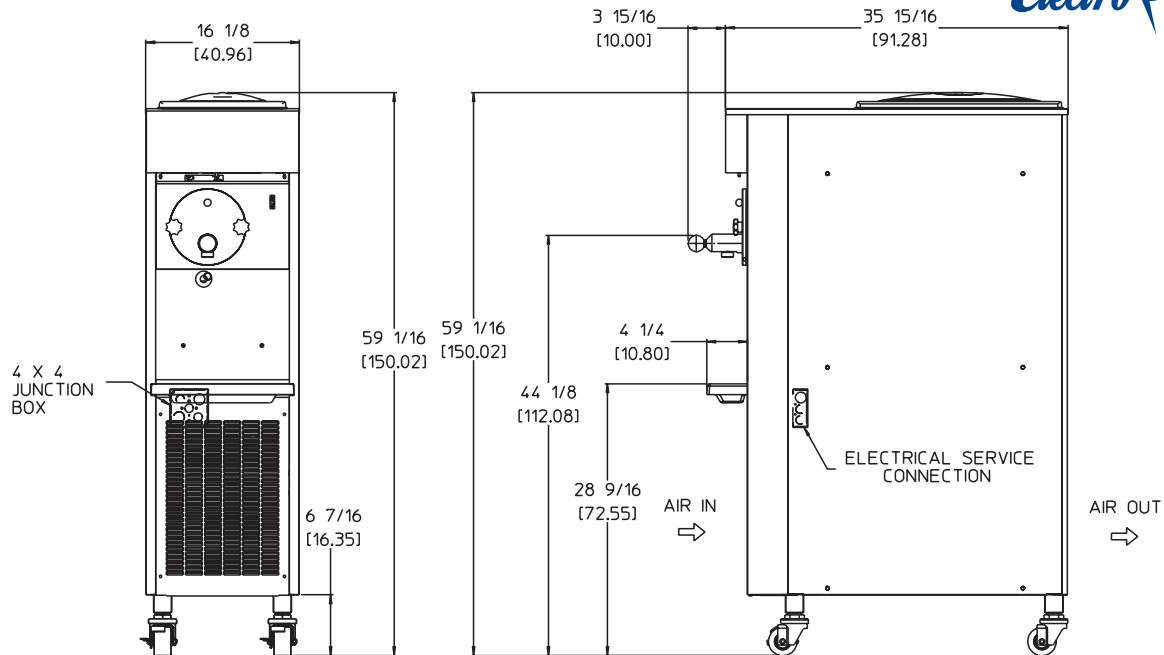

The Electro Freeze Advantage

- **Product Monitoring System** provides a consistently smooth frozen product.
- **High Efficiency** dual flow evaporator design.
- **Pre-Configured** for bolt on Bag-in-Box or remote mix system.
- **Durable and Long Lasting** scraper blades assure a smooth consistent frozen product.
- **Serve by the Drink or Pitcher** the model 812 has the unique ability to dispense large volumes in a short period of time.
- **Add to Your Profits.** The sale of frozen beverages offers large profit margins.
- **Mix Level Indicator** flashes to remind the operator when to add mix.
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a worldwide distributor network.
