

GES-5099

This pressurized, 2-flavor twist soft serve machine produces the highest quality, most consistent and profitable product you can serve. Ideal for operators that want to serve a high-quality product but don't require huge volume. This machine is perfect for co-branding concepts as well as college cafeterias, buffets and adding additional flavors to any shops.

Multi-function LED Display
 with manager smart tools.

Virtual Quality Management System™
 monitors Temperature and Consistency to
 provide superior taste and quality.

Pump Forward Design
 New pump forward design reduces
 maintenance and cleaning time.

Self Closing Spigots
 prevents the mess and
 eliminates waste.

**Scroll Compressor
 Technology**
 provides increased
 capacity, reliability and
 efficiency.

GES-5099 Soft Serve Freezer
